

2011 State CDE Report PDC

Changing CDE's for 2011/2012

Poultry- points changes, adding in new part, ect.
National Dairy- more team components

Quiz Bowl and Parli Pro- Why cant we have the questions for all students and teachers to use for studying.

Should we have a state bank of questions?

Pros:

Cons: *State Superintendents for contests tough enough to get superintendents.

Section II: No test bank for Quiz Bowl but lets look at narrowing the District Contest questions polls.

Nationals Rule: *Only participate in one National CDE

*Student made National Creed and National Dairy Foods- he participated in Creed but unable to participate in Dairy Foods. Would like to have son be able to compete again and son would like to compete again in this area because area of interest.

-What is the feeling of Section II?? Do not penalize a student for going above and being proficient in more than 1 area. Allow that individual to compete again in area.

State CDE Financials:

Trophies, Shipping and Bussing Expenses up
Dairy Contest Expenses Less

Wildlife Online Quiz

-Use as a fundraiser for the CDE, open it up to ALL schools statewide

CDE Facilitator Proposal:

-Proposal to hire someone for \$2500 run CDE, facilitate on campus coordination.
